

## 【學生組－教育百科－列入收藏】

### 任務項目與說明

將任 1 字詞 **列入收藏**（圖 2）。

### 示意圖

The screenshot shows the dictionary entry for the character '綻' (zhàn). At the top, the title is '詞條名稱：綻' followed by its stroke order 'ㄗㄠˋ' and a breakdown '糸部 + 8 畫 = 14 畫 zhàn'. A red box highlights the '加入收藏' (Add to Favorites) button in the top right corner. Below the title, there are four tabs: '教育部國語小字典', '教育部國語辭典簡編本', '教育部重編國語辭典修訂本', and '教育部客家語辭典'. The '教育部國語小字典' tab is selected. The main content area shows the character '綻' with its phonetic notation 'ㄗㄠˋ' and a list of four explanations. A red circle with the number '2' is overlaid on the first explanation: '(1) 衣服接觸處脫線，如：「綻線」、「這件褲子太舊了，褲管都綻開了。」'. To the right, there is a '相關客家語' section with the character '綻' and a '詞條功能' section with a '轉寄詞條' button.
